

KEW GARDENS MAY 2015 NEWSLETTER

Welcome Members to our 2015 Season! We are happy to feel the warmth of spring now!

[Booking Courts before and after Socials, Tournaments, Team Matches, Lessons and Clinics:](#)

Anyone playing in a scheduled Kew Event listed above, CANNOT pre-book/reserve a court BEFORE their event, or AFTER playing, as this is considered a DOUBLE-BOOKING. Our goal is to get as many members playing as possible. However, any member can walk on an open/available court before or after a scheduled event and this WOULD NOT be considered a double-booking, or affect playing in the event.

[Court Booking by Phone and the online booking function](#)

Member voicemail messages and the online booking function DOES NOT reserve a courts for members. Online booking function is for the use of our Club Staff only and allows a member to view court availability. You must speak to a Manager on the phone in person, to book a court.

Clay Courts:

Daily One Hour Clay Maintenance is Noon and 5:00pm
Saturday and Sunday is from 6:00 – 7:00pm

Our Clay Court Maintenance Team and Club Staff work hard to provide excellent clay courts. In order to keep the courts at their best and safe for members, on occasion, maintenance may take longer than one hour. This unfortunately may cause a delay in member play at 8:00am, 1:00pm, or 6:00pm. We do apologize for any inconvenience, but ask for member patience and understanding in this matter.

Please wipe the clay from your shoes after play, and before entering the Clubhouse.

When the courts are extremely busy, our Managers have discretion to enforce **DOUBLES ONLY** on ALL CLAY COURTS, just like on Sundays mornings from 8:00am-Noon. All Manager decisions are final.

One cannot pre-book a court for a day/evening time and then move over to a vacant “Clay Court”, unless approved by a Manager on duty.
